

Dear All

Following the success of the previous Bristol History Walk, we have decided to offer another one - Curious Clifton.

It will be the same tour guide, Steve Mynard, who is an expert of the history of Bristol, and a great storyteller!

Date for your diaries: Wednesday 4th November 2026 from 11am to approx. 1pm. The pace is leisurely with lots of stops at point of interest and the total distance will be 3 to 4 miles.

Those who want can go for lunch locally or maybe bring a packed lunch for after the walk.

Cost: £10 per person - payable in CASH only on the day.

The meeting point in Clifton will be agreed a little near the date. However, one option is the bus 505 from Long Ashton Park & ride, or a bus from central Bristol.

The numbers will be limited to 20, so please contact **Louise Warburton** by WhatsApp/text on 07505 149152 if you would like to come along.

A WhatsApp group will be set up before the date to finalise details.

Regards Sue Ferguson (on behalf of Lou)
